Is there anything we should know about your child?

I / we give permission for the above child to participate in City of Sunbury playground activities, including physical activities. I release the City of Sunbury playground program from responsibility for personal property or injury occurring while the child is participating in the City of Sunbury playground program. I, as parent/guardian, do understand by signing this paper that I am responsible for my child while they are outside the confines of the fenced in playground area. I understand that the Sunbury playground program is not an alternative to a licensed day care program.
